

3 Bedroom House in Jocelyn Close, Pulham Market

I am writing to let you know that this local needs affordable home will soon be available for re-letting by Hastoe Housing Association.

The property will be advertised, by Hastoe HA, on the HomeOptions System from **Thursday, 19 March until the following Wednesday, 25 March.**

This home has been built first and foremost for people who are in need of affordable housing who have a local connection to Pulham Market. That 'local connection' includes currently living in the village and/or having previously lived there and now wishing to return.

The property is then next prioritised for households from neighbouring parishes.

Anyone already on the South Norfolk Housing Register will be eligible to express their interest ('bid') through the 'HomeOptions' website:

<https://www.southnorfolkandbroadlandhomeoptions.org.uk/>
